THE EAGLE

Cosby High School

Cosby, Tennessee

Foreword

"Education sows not seeds in you
but makes your seeds grow."
Kahlil Gibran

Our days are numbered
Divided
Into days and weeks -
So many hours
Set aside for learning,
So many hours
Set aside for living.

But we soon discover
Learning is entangled fast
With living
And the knowledge
We must gain
Is not stored away
In books
But locked within
Ourselves.

Education is a key
To help us understand
Just what we are
And what we hope to be.
Our days in school
Provide us with a "workshop" -
A place to share
Ideas
Exchanging with our friends and teachers
Realities and Truth.
And by this giving of ourselves
To others
We will learn to live
And soon become
What we will be
Tomorrow.

And so
The pages of this book
Are offered as
A record of our learning -
A notebook of our memories
To treasure and remind us
Of the paths we took
That brought us to today.

We share with you
Our yesterday,
Our growing days
In hopes that you will
Understand
And share with us
Our many dreams
Tomorrow.

Principal

Mr. E. G. Bryant

Dear Seniors:

I have just returned from Nashville where I witnessed Winfield Dunn, age 43, taking the oath of office to become the forty-third governor of the State of Tennessee. This is the first time in fifty years that Tennessee has had a Republican governor.

This was, I know, the most memorable event in the life of Governor Dunn. To rise from a home of humble origin to become the chief executive of a state would be the climax in the life of any man and his family.

What will be the most important event in your life? You will need to set a goal and work toward it. I hope that your aim will be high and that you can all have as happy and successful occasion as Governor Dunn and his family enjoyed January 16, 1971.

Sincerely yours,

E. G. Bryant

College or work?

If you are a high school senior we urge you to continue your education. However, if you are unable to attend college or trade school, American Enka also has "career" employment opportunities for high school graduates.

For information about this growing industry and its benefits, write the Employment Manager or visit the Employment Office.
